THE NARROW OUTCOME

Every booked vehicle has approved scope, photos, and prep notes.

A complete vehicle brief becomes an approved package, external deposit receipt, buffered appointment, and follow-up task.

PROPOSED WORKFLOW

01	Capture the vehicle brief One reviewable estimate brief	Owner checks image consent and service area
02	Draft the package Draft price and scope	Detailer approves condition, scope, exclusions, and price
03	Stage the deposit Deposit handoff awaiting live activation	No charge occurs from this starter
04	Reserve the job Confirmed appointment and prep checklist	Scheduler resolves travel and capacity conflicts
05	Queue the follow-up Timed customer-success tasks	No customer message sends from this starter

COMMERCIALS

IMPLEMENTATION	MANAGED CARE
\$1,500 one time	\$249 / month
Configuration, branded proposal template, test pass, and team handoff.	Monitoring, small fixes, and one monthly workflow tune-up.

BOUNDARIES AND ACCEPTANCE

This starter does not activate live payments, send customer communications, or deploy into a production customer account. Final scope, data handling, integrations, and acceptance tests must be approved in writing before implementation.
