

Sell a clear coaching outcome, then run the cadence you promised.

Prepared for: [CLIENT BUSINESS] | Prepared by: [PROVIDER]

THE NARROW OUTCOME

Every client has a scoped package, cadence, and review point.

One fit brief becomes an approved package, external payment receipt, session cadence, and outcome review packet.

PROPOSED WORKFLOW

01	Capture goals and fit Fit brief with decision deadline	Coach decides fit, scope, and exclusions
02	Prepare the package Package proposal PDF	Coach approves claims and commercial terms
03	Stage billing Billing handoff awaiting activation	No live charge from this starter
04	Create the cadence Confirmed cadence and session-note prompts	Coach calendar remains authoritative
05	Review outcomes Renew, revise, or close decision packet	Coach approves notes, outcome claims, and renewal offer

COMMERCIALS

IMPLEMENTATION	MANAGED CARE
\$1,500 one time	\$249 / month
Configuration, branded proposal template, test pass, and team handoff.	Monitoring, small fixes, and one monthly workflow tune-up.

BOUNDARIES AND ACCEPTANCE

This starter does not activate live payments, send customer communications, or deploy into a production customer account. Final scope, data handling, integrations, and acceptance tests must be approved in writing before implementation.
