

Know the pet before the appointment owns your day.

Prepared for: [CLIENT BUSINESS] | Prepared by: [PROVIDER]

THE NARROW OUTCOME

Every appointment starts with a reviewed pet brief and realistic slot.

A reviewed pet brief becomes an approved quote, external deposit receipt, correctly buffered slot, and rebook task.

PROPOSED WORKFLOW

01	Capture pet and service needs Pet-service brief with risk flags	Groomer reviews allergies, behavior, and accommodation limits
02	Prepare quote and waiver Draft quote, duration, and waiver handoff	Groomer approves price, duration, and suitability
03	Stage the deposit Deposit request awaiting activation	No live charge from this starter
04	Reserve the right slot Confirmed appointment and prep checklist	Calendar owner resolves conflicts
05	Queue care and rebook Timed follow-up tasks	No customer message sends from this starter

COMMERCIALS

IMPLEMENTATION	MANAGED CARE
\$1,500 one time	\$249 / month
Configuration, branded proposal template, test pass, and team handoff.	Monitoring, small fixes, and one monthly workflow tune-up.

BOUNDARIES AND ACCEPTANCE

This starter does not activate live payments, send customer communications, or deploy into a production customer account. Final scope, data handling, integrations, and acceptance tests must be approved in writing before implementation.
