

Book the right artist, collect the right brief, protect the session.

Prepared for: [CLIENT BUSINESS] | Prepared by: [PROVIDER]

THE NARROW OUTCOME

Every booked session arrives with an approved brief and clear owner.

A qualified consult becomes an artist-approved brief, external deposit receipt, confirmed session, and timed aftercare task.

PROPOSED WORKFLOW

01	Qualify the consultation Consult brief routed to a studio owner	Studio checks age, scope, and artist fit
02	Approve the design brief Artist-approved brief and appointment type	Artist approves feasibility and timing
03	Stage the deposit Deposit request payload awaiting activation	No charge; owner must approve amount, refund terms, and live mode
04	Reserve the session Confirmed artist session with prep checklist	Artist calendar remains authoritative
05	Queue aftercare Timed follow-up tasks	No customer message sends from this starter

COMMERCIALS

IMPLEMENTATION	MANAGED CARE
\$1,500 one time	\$249 / month
Configuration, branded proposal template, test pass, and team handoff.	Monitoring, small fixes, and one monthly workflow tune-up.

BOUNDARIES AND ACCEPTANCE

This starter does not activate live payments, send customer communications, or deploy into a production customer account. Final scope, data handling, integrations, and acceptance tests must be approved in writing before implementation.
